<b>Description:</b>	The Rin du Bois Domain, 20 ha in size, is situated on the south of Blois in Loire and Cher. We produce many wines, which in general are ruled by lightness, finesse and aromatic richness. Touraine - Sauvignon is the white wine of the Loire and is known and recognized in the whole world. This wine has aromas of buds of elderberry and black currant. In the mouth this wine is well balanced with a finish of citrus that lasts after tasting.
